

Poppy's Pumpkin Patch
55275 837 Rd
Norfolk, NE 68701
402-750-4550 or 402-379-0455

2021

We just want to say, thank you for choosing Poppy's for your school field trip. We truly enjoy seeing the kids jumping in the corn pit, making friends with our animals, racing down the twin slide and all of them enjoying our farm as much as we do.

We will be opening on September 11th. Poppy's is closed on Mondays. School hours are Tuesday thru Friday from 8:30 am to 3:00 pm. We also will provide upon request an educational piece on how a pumpkin grows.

Cost of admission for school tours is \$6.00 for students which includes a souvenir small pumpkin to take home with them. Parents and additional children are \$6.00. Children 2 and under are free. Classroom teachers, aides and bus drivers will be free. We encourage teachers to collect payment for students and parents up front before arrival, then pay for the admission in one lump sum. It just speeds up the process and allows the kiddos to get right in and play.

We encourage everyone to bring a warm sweater or coat, wear long pants and comfortable shoes. Sandals and other open toed shoes are discouraged. Also, on especially cold days we encourage hats and mittens as it may feel cooler out in the open on the farm. Also feel free to have the children bring a beverage to drink. The kiddos always get thirsty with all that running around they do. You are welcome to bring sack lunches or snacks to have a picnic under the pavilion.

We are open to any suggestions you may have to make the students and teachers experience as enjoyable and memorable as we can. We look forward to seeing you all soon and feel free to contact us anytime with questions or suggestions.
